4 action-packed episodes

Executives from the networks, production companies and distributors involved in the project were present at the event : **RTVE, ZDF, Portocabo, Nadcon and ZDF Studios** . During the presentation, details were offered about the international launch strategy of this series consisting of four episodes. "Weiss

& Morales" is a procedural that combines the most classic elements of the genre with the current standards of premium television drama. **The series follows inspectors Nina Weiss and Raúl Morales, played by Katia Fellin and Miguel Ángel Silvestre, respectively** . The characters, who contrast both culturally and professionally, **must work together to solve a murder case involving the German community residing in the Canary Islands** .

Each of the four 90-minute episodes features a new case that will test the relationship between Weiss and Morales , while also delving into their family histories. The continuity of the series is based on the evolution of these personal and professional relationships.

stellar cast

The cast includes an extensive list of Spanish and German actors, such as Margarita Broich, Juanjo Puigcorbé, Thomas Heinze, Mariam Hernández, Yaiza Guimaré, Tania Santana, Saulo Trujillo, Luifer Rodríguez and Iria Santana . The series is directed by Oriol Ferrer ("Entrevías", "Soy Vivo", "La Valla") and Lucía Estévez ("The Argonauts and the Gold Coin") and in the synopsis of the series it introduces us to **Nina Weiss (Katia Fellin), a BKA agent, who is in the Canary Islands visiting her mother** . The investigation of a murder of a German citizen leads her to collaborate with **Raúl Morales (Miguel Ángel Silvestre), a sergeant of the Civil Guard** . Despite their different personalities and methods, both must work together to solve the case. Weiss is meticulous and detail-oriented, while Morales relies on his knowledge of human behavior. **Together, despite their differences, they manage to solve the case, establishing a collaboration that will continue in future investigations on the islands.**
